- **NON-COMPETING HORSES.** Each non-competing horse must have a signed release, wear an assigned number, must observe the rules governing the use of the warm-up areas and must pay any required fees, including stabling. Any horse brought onto the grounds, including the parking lots, is subject to the rules of the show. This includes horses that never leave a horse trailer. Violations of this rule will result in double the fees due. Note: Priority in availability, location and type of stabling will be given to competing horses.
- Any balance due at the end of the show will be billed and subject to a billing fee. Payment must be made immediately upon receipt of the bill. Non-payment will result in the individual being turned in to the sponsoring organizations, in addition to legal ramifications.

STATE BORDER CROSSINGS:

- ✓ The most recent information available on documents necessary for transporting horses across state lines is available at the following numbers: Nevada Department of Agriculture - (775) 688-1180 and California Department of Agriculture - (916) 654-1447. Be sure to ask if there are any prohibitions against feed as well.

JUNIORS

- All minors/juniors must be supervised by their parent/guardian or authorized agent at all times while at or on the show grounds, whether riding or on foot. The parent/guardian or authorized agent shall assume all responsibility to protect juniors from any injury, damage, harm and/or loss and shall indemnify, defend and hold show management, its employees, independent contractors and volunteers, the facility at which the event is held, Pacific Equestrian Center, and all affiliated organizations harmless therefrom.
- **USEF Motorized Vehicle Statement:** Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for

individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

ALL COMPETITORS

- ***From the time horses are officially admitted to the competition grounds by competition management, any one mounted on a horse at any time on the competition grounds, including non-competing riders, riders on non-competing horses, and those competing in all classes and tests, including Para-Equestrian tests, must wear protective headgear as defined by this rule and otherwise in compliance with GR801.*** Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. Protective headgear is defined as a riding helmet which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. The harness must be secured and properly fitted. Unless jackets are waived, while in the competition ring, exhibitors wearing protective headgear must wear a short, dark jacket, dark tailcoat (only permitted for tests above Fourth Level), or Armed Services or police uniform (if eligible), dark hatcovers (where applicable) and must otherwise conform to DR120 (see GR801).
- It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.
- The Federation and Pacific Equestrian Center make no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.
- Competition management shall place a minimum of one sharps container per each competition, whether or not stabling is provided. Additionally, at least one sharps container per fifty occupied stalls for the disposal of needles and other disposable sharp instruments in convenient locations in barns housing competition horses. It is competition management's responsibility to replace such containers when full and dispose of them properly. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100 for improper disposal of needles or other sharp disposable instruments. Competition management will place a notice of this requirement either in its prize list or on a specific handout given to trainers on check in at the competition. If local law has different requirements, local law will prevail. Competitions failing to comply with placing the required number of containers on the show grounds will be considered in violation of the rules and may be subject to penalty as determined by the CEO or Executive Director and/or the Hearing Committee.
- ***In locations with high average heat and humidity on the date of a competition, management can publish in their prize list that jackets will be waived for the duration of the competition. Alternatively, management can announce prior to or during a competition that competitors can show without jackets when extreme heat and/or humidity is forecast. This waiver applies to*** in all classes including FEI classes at National Competitions. However, competitors must wear ***protective headgear and a shirt with sleeves and collar***, without neckwear, and without decoration except as described under .14 below. T-shirts are not permitted. Members of the Armed Services or police units may wear summer uniforms.

(Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan[®]/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan[®]/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan[®]/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

* PMs are USDF members who join USDF directly. USDF Group Members (GM) are ineligible.

B. QUALIFYING CLASS AND CHAMPIONSHIP ELIGIBILITY

1. Having won a USEF/USDF Regional Championships three times (in any region over their lifetime); a horse/rider combination may no longer compete in USEF/USDF Regional Championship competition at that or a lower level (Grand Prix excepted), if they received the minimum qualifying score or higher for that division and level in the championship test per USEF DR127.5.
2. A horse may not be entered in more than one USEF/USDF Regional Championship at a particular level in the same calendar year.
3. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form. This form must be submitted with a \$25 fee prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a fee of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a fee of \$300. **No changes of region may be made after the closing date of the region in which a rider wishes to enter, for any reason.** In addition, all persons living outside of the United States, who intend to compete in a Regional Championship, must submit a Change of Region form and applicable fee to USDF to declare a region.
4. A rider may not compete in more than one Regional Championship competition in the same calendar year.
5. In the event a competitor is unable to produce copies of the USDF membership or lifetime horse registration documents required to enter a qualifying class, a USDF competition affidavit with appropriate fee may be completed and filed with the competition secretary. The affidavit and appropriate fee must be submitted to USDF by the competition secretary. Copies of the required memberships and registrations MUST be included with the championship entry. Affidavits will not be accepted for USEF or USDF membership or horse recording verification purposes for entry in championship classes.
6. Horses must be entered in qualifying and championship classes under their official recorded names and ownership as specified in USEF GR1102.3, and transfers of ownership or lease registrations must be completed in compliance with USEF rules GR1105 and GR1108 prior to the competition in order for the horse to compete under the name of the new owner or lessee. (USEF DR127.2)

C. QUALIFYING SYSTEM

1. There is currently one qualifying system with nationally-standardized minimum percentages (see Section D for qualifying percentages).
2. Prior to competing in a Great American/USDF qualifying class, a horse/rider combination must be eligible according to the USDF/USEF membership and registration requirements for qualifying.
3. To qualify for a Regional Championship, horse/rider combinations must earn a total of two qualifying scores (each score must be the average of all judges officiating in a designated Great American/USDF qualifying class), at two different USEF-licensed/USDF-recognized Dressage Competitions, from two different judges, or combination of judges. In addition, the same judge may not have officiated in classes from which qualifying scores are earned, unless the following conditions are met: A panel of judges will be considered as a different judging entity if 50 percent or more of that panel is changed (e.g. a panel of two judges must have one new person, a panel of three judges must have two new people and a panel of five judges must have three new people; exception, CDI panels exempt from this requirement. Scores earned where CDI panels officiate are eligible to be used for qualifying if there are no changes to the judging panel in two separate CDI competitions where both scores are earned).
4. To qualify, eligible riders must enter an official Great American/USDF qualifying class at a USEF-licensed/USDF-recognized Dressage Competition. The Great American/USDF qualifying class will be the highest or single test of the level and the class must be designated as Great American/USDF qualifying in the prize list.
5. To qualify at freestyle, riders must earn a total of two freestyle qualifying scores at the level at which they wish to qualify, earned in designated Great American/USDF qualifying classes, at two different USEF-licensed/USDF-recognized Dressage Competitions from two different judges or combinations of judges as described in Section C.3. *All FEI Pony Rider are equivalent to Second Level; all FEI Junior Rider Tests are equivalent to Third Level; all FEI Young Rider Tests are equivalent to Prix St. Georges; and the USEF Brentina Cup (Young Adult) Test and FEI Young Rider Grand Prix 16-25 Test are equivalent to Intermediate II. For purposes of freestyle qualification, all are considered equivalent to the highest test of that level and may be used to enter a freestyle at that level or a level below. Young Horse and FEI Children Tests cannot be used for freestyle qualification at any level.*
6. Horse/rider combinations may enter more than one qualifying test, and qualifying freestyle, at each level per day as Great American/USDF qualifying. (USEF DR 127.4)
7. Eligible competitors must be given the option to enter the class as "USDF qualifying" for a maximum additional fee of \$15 which must be paid to the show secretary prior to riding in the class.
8. USEF/USDF qualifying and/or championship classes must be designated as such in the prize list and the results. (USEF DR127.4). The \$15 qualifying fee will be sent to USDF from the show secretary along with the Report of Fees. All qualifying rides must be marked as such in the results. Once qualifying fees are received by USDF they will not be refunded to competitors for any reason. All regional championship qualifying fees paid to show management must be submitted to the USDF, including fees from riders that scratched, were eliminated, excused or did not show up for the class. Exceptions: Competition Refund policy must clearly state that these fees will be refunded to the competitor; or fees are reapplied to cover indebtedness to the competition not paid by the competitor.
9. Separate ribbons or trophies are not awarded for Great American/USDF qualifying entries.

10. Any and all eligible horse/rider combinations who achieve the minimum qualifying score in a Great American/USDF qualifying class will receive one qualifying score toward their two score requirement to be eligible to enter a Regional Championship if all other conditions are met.
11. FEI classes at CDI/CDI-Y/CDI-J/CDI-P or USEF High Performance qualifying competitions must be designated as Great American/USDF qualifying in the prize list in order for classes to be counted as qualifying by USDF. Prior to riding in the class, riders must pay the qualifying class fee to the competition secretary.
12. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders, who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form. This form must be submitted with a \$25 fee prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a fee of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a fee of \$300. **No changes of region may be made after the closing date of the region in which a rider wishes to enter, for any reason.** In addition, all persons living outside of the United States, who intend to compete in a Regional Championship, must submit a Change of Region form and applicable fee to USDF to declare a region.
13. There is no limit on the number of horses on which a rider may qualify.
14. Qualification is based on horse/rider combination. If a new rider wishes to compete with the horse at the championships, she/he must requalify. (USEF DR127.9)
15. One whip no longer than 47.2 inches (120 cm), including lash may be carried in all qualifying classes (including NAYC) unless such use is otherwise prohibited by FEI or Federation rules or selection procedures for the classes. (USEF DR120.7) An adjustable-length whip may not be carried by a mounted rider.
16. Tests may be read in qualifying classes except in FEI level classes and freestyle classes.
17. Qualifying seasons vary for each region. The season during which scores may be earned to qualify for a particular Regional Championship starts the day after the closing date of that region's 2023 championship and ends on the closing date of that region's 2024 championship. Horse/rider combinations may earn qualifying scores in another region but only at shows within the current qualifying year of the region in which that show is held.
18. The closing date of each Regional Championship will be the fourth Monday prior to the start of the Regional Championship competition. Competitions will count for only one calendar year's championship. The qualifying year of each competition is based upon the location of where that show is held, not the region the rider wishes to compete in.
19. USDF will maintain a database of qualified horse/rider combinations and will post a provisional list for each level and division on the USDF website. USDF will verify eligibility of championship class entries with the championship's secretary prior to each championship's competition. Post entries may be submitted by qualified horse/rider combinations in championship classes if post entries for championship classes are allowed in the prize list of the competition.

D. MINIMUM QUALIFYING SCORES

One set of nationally-standardized qualifying scores has been established for all USEF/USDF Regional Championships, for levels through Grand Prix, in three divisions: open, adult amateur and junior/young rider. FEI Junior and FEI Young Rider classes have only one respective division.

E. CHAMPIONSHIP RULES

1. All Regional Championship competitions are considered Level 4. Please refer to USEF Dressage Level Requirements for specifics. (USEF DR126.4)
2. Each entry must designate the division being entered (open, adult amateur or junior/young rider) and must meet minimum percentage requirements for the championship division entered.
3. Cross entering open and junior/young rider divisions or open and adult amateur divisions for a horse/rider combination is permitted at adjacent levels. It is not permitted at the same level. Exception: freestyle or equivalent FEI Junior or FEI Young Rider levels.
4. If a rider intends to enter a Regional Championship as an adult amateur, the rider must be an adult by the current USEF definition (DR 119.3) and a current amateur by the USEF definition. (USEF GR1306, 1307)
5. If a rider intends to enter a championship as a junior/young rider, the rider must be a junior/young rider by the current USEF definition and her/his birth date must be on file with USDF by July 1 of the championship year.
6. Verification of USDF/USEF membership cards and horse recording and registration certificates must accompany championship entry (USDF PM for rider, USDF PM or BM for owner, etc.)
7. Under penalty of elimination, whips may not be carried in championship tests (Exception: Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) An adjustable-length whip may not be carried by a mounted rider.
8. Under penalty of elimination, all championship tests must be ridden from memory. (USEF DR122.1)
9. The gate at "A" may be left open for every USEF/USDF championship ride. Decisions to either close the gate or leave it open must be consistent for all championship classes. Each Regional Championship competition management must publish in its official prize list if the gate will be closed in championship classes. (USEF DR126.2.f.5)
10. Under penalty of disqualification from all championship classes for the horse/rider combination, within 24 hours prior and at no time during a USEF/USDF Regional Championship competition may any horse entered in that Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (exception: grooms riding on loose rein). Further, any horse entered in a championship competition, even entered at two levels, must be ridden by the same rider throughout competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
11. In the event of a tie (equality of total points) for champion and/or reserve champion in USEF/USDF championship classes, the collective marks **after coefficients have been applied** will determine first, second, and/or third or all three places; (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e. two first places will be awarded next third place, etc.). For ties in freestyle classes refer to USEF DR129.5 which states the highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner. **Should the artistic mark be the same, the higher mark for harmony will decide. If still tied the higher mark for choreography will decide.** Ties (equality of total points and total collective marks **after coefficients have been applied**) after second place will be broken by collective marks. Ties (equality of total points and **total** collective marks **after coefficients have been applied**) occurring in third through eight places will remain unbroken. In the case of a tie (equality of total points and **total** collective marks **after coefficients have been applied**) for champion, prize money designated for champion and reserve champion will be combined and divided equally between the two competitors.
12. Hors de Concours entries are not permitted in USEF/USDF championship classes. (USEF DR119.5)
13. In a USEF/USDF championship class, the horse/rider combination must obtain the necessary minimum percentage score to be named champion or reserve champion. (USEF DR123.7) If the highest placed horse/rider combination receives less than the minimum percentage, no championship awards or prize money will be issued, however an awards ceremony will be held for the entire class. In lieu of a champion and/or reserve neck sash, a first and/or second place ribbon will be awarded.
14. In USEF/USDF championship classes, a steward must be appointed to check the saddlery, bits and spurs, on both sides of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.2.i.6)
15. A Registered (R) Dressage Technical Delegate (TD), who is a current Participating Member of USDF, is required to officiate at USEF/USDF championships. TDs for competitions offering qualifying and/or championship classes must investigate incidents of non-compliance and report violations to USEF. "R" Dressage TDs hired to officiate Regional Championship classes must be selected from outside the region. This applies only to the primary competition TD, who is the person responsible for filing the TD report for the competition with USEF. (See section H.3.c, and USEF GR1018.3 and DR127.3)
16. Entries in USEF/USDF dressage championship classes are limited to competitors who have met the qualifications, membership, horse recording and registration requirements, and deadlines outlined in USEF DR127 and published by USDF. Competitors who are properly qualified, whose completed entries are received by the closing date for a particular Regional Championship, and who have complied with all championship rules may not be denied entry into the Regional Championship classes for which they have qualified.

Only one class per division and/or level may be held to determine USEF/USDF regional champions. (USEF DR127.7)

17. USEF/USDF championships classes may not be split. (USEF DR126.2a.4)

18. Championship classes for juniors and young riders must only be held on Friday, Saturday, and/or Sunday. Dressage Seat Medal Semi-Finals classes must be held on Saturday or Sunday. Juniors and young riders' entries (horse/rider combinations) are limited to entry in only two championship classes, excluding freestyle.

19. Except for freestyles, the FEI Junior Team Test, and FEI Young Rider Team test, championship classes at consecutive levels, for the same division, may not be held on the same day.

20. Ribbons and prizes can be distributed prior to arrival at the awards ceremony. Award ceremony attendance is not mandatory. Riders should let show management know if they plan not to attend.

21. All horses competing in Regional Championships classes must be stabled on the competition grounds and must remain on the grounds for the duration of their participation in the event, from the time of arrival until the horse has finished competing in all classes. If the horse has been found to have left the grounds, and returned, it would be eliminated from championship classes, but not in non-championship classes. (USEF DR127.8)

22. For USEF/USDF freestyle championship classes, the competitor must provide the show with music for the freestyle. Acceptable formats/methods must be specified in the prize list. Formats must include CDs and/or digital files (MP3 and/or WAV.). Only one freestyle music per CD or digital file. All music must be submitted in the time frame specified in the prize list. Video files (MP4 or .mov) will not be accepted. Digital files must be sent and received electronically or on a thumb drive. Music should not be played via a competitor's cell phone, iPad, or any other personal mobile device. The competitor is required to bring a back-up copy (thumb drive or CD) with them to the competition. See also H.7.

23. The test ridden for national level USEF/USDF championship classes will be the highest test of the level.

F. ADDITIONAL RULES AND REQUIREMENTS

1. Competition managers of USEF Dressage Competitions which hold USEF/USDF qualifying and/or championship classes are responsible to USEF for knowing and complying with all USEF rules and USDF guidelines regarding qualifying and/or championship classes. Please refer to USEF Dressage Level requirements. (USEF DR127.3)

2. A host GMO officer or CEO of the competition licensee, and the competition manager, must sign an agreement with USDF which includes the organizer's agreement to abide by USEF and USDF rules and regulations, and releases USDF from liability, financial or otherwise, during or in connection with the event.

3. Once an application to hold a USEF/USDF regional dressage championship has been submitted, no changes to date, facility, organizer, manager, or secretary may be made without prior notification and written consent of USDF with consultation with the respective Regional Director, when appropriate. In addition, USDF reserves the right to select an alternate host site and management if the facility, organizer, manager, or secretary named in the original host site application is changed without written permission from USDF.

4. Mounted awards ceremonies must be scheduled for each championship class.

5. A tentative schedule for the awards ceremonies must be printed in the Show Program.

7. Riders placing in Great American/USDF Regional Championship classes must be present, mounted and in full riding attire for awards ceremonies if they elect to participate. For safety reasons competitors may decline to participate in the victory round.

Unmounted awards ceremonies may be held if weather or other calamity prevents mounted awards ceremonies. Riders must be in full riding attire.

8. Specific requirements in prize-giving ceremonies must be announced in the prize list. It is recommended that saddlery for ceremonies be the same as in the competition, but that white or dark colored leg bandages or boots are allowed. Whips may be carried in prize giving ceremonies. Rosettes should be placed on the horses' bridles prior to the ceremony. The judge at "C" should be invited to participate in the prize-giving. Competition management is responsible for the safe conduct of ceremonies and must excuse any horse that threatens the safety of participants. (USEF DR123.13)

10. Date applications may not use the name or title of a championship that has not been assigned to that licensed competition for the competition year named in the application. The fees are waived when a competition changes its name to include the title of a regional or national championship or when the name reverts back to its original name. Using the name or title of a championship that has not been assigned to that licensed competition during the same competition year is a violation of USEF rules. (GR706.1.p)

11. Copies of documents submitted by competitors to verify USEF and USDF membership and horse recording must be available to the TD in the competition office. (USEF DR127.2)
